17 of the best luxury yachts at the Palm Beach International Boat Show

1 - *Jetsetter*

The Palm Beach International Boat Show returns this year, running from March 23-26, with the largest superyacht lineup in its 32-year history. Spreading to a satellite location at the Rybovich marina, the show will boast a record number of European superyacht builders as exhibitors, including Amels, Heesen, Feadship, Moonen and Palumbo Group, but our round-up starts with a newcomer: 1. *Jetsetter* The basics: 38.6 metre *Jetsetter* is the maiden launch from Dynamiq yachts. She is making her American debut in Palm Beach, where visitors will be able to explore her four-cabin layout, which provides accommodation for up to ten guests. Standout features: Dynamiq claims that the sundeck on *Jetsetter* offers the same amount of relaxation space as you would find on an Amels 180. A Jacuzzi and adjacent exercise bikes mean guests can quickly switch from a workout to a relaxing soak. Length: 38.6 metres Builder: Dynamiq Designer: Dobroserdov Design Broker: Burgess Asking price: €14,545,000

9 - *Broadwater**Broadwater*

The basics: Launched in 2000 by Dutch superyacht builder Feadship, 50.29 metre Broadwater has emerged a new yacht from her most recent refit carried out in

2016 at Lauderdale Marine Center. Her new contemporary interior, transformed with new furniture, parquet flooring and grey finish on bulkheads, was created in cooperation with designer Adam Voorhees, the winner of the 2010 Young Designer of the Year Awards. Upgrades also include new decking, a new Awlgrip paint as well as technical improvements and the addition of a beach club guest area in the former lazarette. Broadwater's six cabins, which include a full-beam master suite on main deck adjacent to a VIP, accommodate 12 guests comfortably. Standout features: Available for charter, Broadwater also boasts an exterior gym and a 250 wine bottle refrigerator, an eye-catching feature in the formal dining room on main deck. Length: 50.29 metres Builder: Feadship Designer: Donald Starkey Designs Broker: Worth Avenue Yachts Price: \$28,900,000

10 - *PassionPassion*

The basics: This 52.7 metre yacht was built in steel and aluminium by Swedish yard Swedeship in 1986 to a design by Dutch studio Diana Yacht Design, was rebuilt in 2003 and had another refit in 2008/2009 to upgrade systems and refresh the interior conceived by American designers Dvorine Associates. She also received a new paint and zero-speed stabilizers. Standout features: A successful charter yacht, *Passion* accommodates up to 12 guests in six cabins, including a full-beam private owner's suite with study on the main deck, adjacent to a VIP cabin. A second VIP cabin is on

the lower deck where a steam room and gym, which converts to a staff room as needed, are also located. The yacht can take a crew of up to 14. Length: 52.7 metres

12 - *Quinta Essentia* *Quinta Essentia*

The basics: A recent example of the work of Italian shipyard Admiral, 55-metre *Quinta Essentia* is an all-aluminium yacht launched in 2016. Styling is by Dobroserdov Design and the luxurious interior, inspired by Italy’s region of Tuscany, is by Italian designer Michela Riverberi. Accommodation is for up to 12 guests in five themed cabins, all en suites, including two full-beam panoramic VIPs. The crew of up to 14, including the captain, is accommodated in seven cabins. With naval architecture by Vripack, the yacht is equipped with a hybrid diesel-electric propulsion system.

Standout features: An outstanding beach club with sauna and spa occupies a good portion of the lower deck, an eye-catching feature along with fold-down balconies and a pool with waterfall. This yacht also has a helipad, situated atop the tender garage, which is large enough for a Castoldi 18 jet tender. Length: 55 metres Builder: Admiral – The Italian Sea Group Designer: Dobroserdov Design Broker: Burgess Price: \$ 34,500,000
