Dynamiq Launches the Yacht Jetsetter

October 4, 2016

[Dynamiq](#) has launched *Jetsetter*, the first hull in its D4 series of yachts. The all-aluminum yacht has a length overall of 126 feet 8 inches and has already made an appearance at the [Monaco Yacht Show](#).

Exteriors are by Dobroserdov Design, interior design is by Bannenberg & Rowell and interior decoration is by Trussardi Casa.

Jetsetter has twin 1,800-horsepower MAN V12 engines that give her a top speed of 21 knots. Her range is 3,000 miles, far enough for a transatlantic crossing.

According to Dynamiq, *Jetsetter* is the first yacht in her size range to have Fortjes pod propulsion and electrically driven, zero-speed CMC stabilizers.

Want to own this yacht? Dynamiq has *Jetsetter* listed for sale at about \$16.3 million, which includes a 16-foot Castoldi tender, a set of Christolfe flatware and Pratesi linens.
