Exclusive new images of first Dynamiq superyacht

Monday, 29 June 2015

By Maarten Janssen

Last week, we published news about the new superyacht brand Dynamiq, developed by Sergey Dobroserdov. Today, we can show you these exclusive new images of Dynamiq's first yacht, which is well underway at the NCA shipyard in Carrara, Italy. The yacht will be launched in the summer of 2016.

The yacht is the first of a series of new yachts, called the GTT – Gran Turismo Transatlantic range. The series will offer three models, the D4, D4S and D4L.

throughout the whole process, the displacement motor yacht boasts a high volume of 795 GRT, particularly in comparison to other yachts in this size range. [Read More](#)

The yacht currently under construction is a D4 model. Her hull has been developed for Dynamiq by leading Dutch naval architects Azure, and it is optimised by hydrodynamic specialists Van Oossanen.

The overall interior design has been realised by world-renowned London studio Bannenberg & Rowell, and features an elegant, contemporary style.
