Jetsetter by Dynamiq Yachts - First Configurable Superyacht

View all articles by René

A bit over a year ago, [Dynamiq Yachts](#) announced a semi-custom [superyacht line that is online configurable like a car](#). Now they present the first finished one: **Jetsetter**

Jetsetter belongs to the D4 line and starts at EUR 13.9 Mio. This first unit is also currently for sale for EUR 14,545,500 (options worth: EUR 645,500). The yacht has a top speed of 21 knots (to drive from Monaco to St. Tropez in about two hours) and a

transatlantic range of 3,000 nautical miles to transfer the yacht from the Mediterranean Sea to the Caribbean. The draft of 1.75m is perfect for the shallow waters of the Bahamas. The concept is based on innovation and functionality.

The exterior design is a creation by [Dobroserdov Design](#) (Sergei Dobroserdov is also the founder and CEO of Dynamiq Yachts), the interior comes from the boards of [Bannenberg & Rowell](#) and the naval architecture was done by [Azure Yacht Design & Naval Architecture](#). Also, [Vripack](#) and [Van Oossanen](#) from the Netherlands are aboard
