---

A new-build 41 metre GTT 135 motor yacht has been sold with the buyer introduced by Konstantin Kolpakov at Arcon Yachts.

The initials GTT stand for Gran Turismo Transatlantic superyacht and this model follows in the footsteps of [Spring](#) (2016) and the [GTT 115](#) (2017).

To be built in aluminium by Italian yard [Dynamiq](#) with exterior styling by the yard's CEO, Sergei Dobraserdov, she will have a Fast Displacement Hull Form by [Van Oossanen Naval Architects](#) and is scheduled for delivery in summer 2020. Accommodation is for 10 guests in five spacious cabins, including a full-beam master suite on the lower deck for exceptional motion comfort.

Key features include a vertical prow and a spa pool on the sun deck, which is situated just forward of the shaded al fresco dining area. This expansive 120 square metre deck offers guests all they need for outdoor living, with a sunbathing area, bar and barbecue space, and al fresco dining.

A highly efficient Voith linear jet propulsion package will enable the GTT 135 achieve a top speed of 20 knots in

displacement mode, with a transatlantic range of more than 3,000 nautical miles at 12 knots.

Dynamiq CEO Sergei Dobraserdov comments, “We decided to appoint Van Oossanen in the Netherlands as our full-service naval architecture and engineering contractor, ensuring the yacht is designed to the highest northern European standards. Our interior partner, which we will officially announce later this year, is a world-famous luxury automotive brand.”

The asking price of the [Dynamiq GTT 135](#) has been withheld.
