Key features include a vertical prow and a [superyacht spa pool](#) on the upper deck, which is situated just forward of the shaded al fresco dining area.

Built to RINA classification and MCA compliant, the yacht's naval architecture was provided by Dutch studio [Vripack](#). Power comes from a pair of 1,650hp MAN V12 diesel engines twinned to Fortjes pod-drives and three variable-speed generators for a top speed of 21 knots and a maximum cruising range of 3,400 nautical miles.
