3 МИНУТЫ

A superyacht builder [Dynamiq](#) has sold the Dynamiq GTT 115 '1of7' to an experienced client from Northern Europe. The yacht has been named JAABER. The all-aluminum 35m vessel features sporty lines designed by Studio F. A. Porsche. Her standout features include the combination of high-speed cruising with transatlantic range, a comfortable fast-displacement hull, a Hull Vane stern foil, a hybrid power plant, spacious guest areas with generous ceiling heights of 2.15m and a massive 90m² sun deck.

Built in 2018, '1of7' is the first superyacht with Porsche DNA. The [GTT 115](#) blends comfortable high-speed cruising with transatlantic range. Her bespoke hybrid system with 3 variable-speed generators illustrates Dynamiq's strong belief in the sustainable future of yachting. The yacht offers versatile spaces and the feeling of a much larger vessel. This truly exclusive collector's edition has received several awards for her next-generation design and engineering, including a Boat International Design & Innovation Award and a Robb Report's 'Best of the Best' award, among others.

Hull number 2 of this limited edition is available at the starting price of €12,500.000 with 4 cabins with a construction time of

just 16 months.
