Dynamiq Reveals Renewed GTT 165
Yacht Project

2020-08-20

[Dynamiq](#) has redesigned its 50 metre
GTT 165 superyacht model.

The GTT 165, which was first
revealed in 2018, has now been
updated. The model features a robust,

fast displacement hull built from aluminium alloy and naval architecture penned by [Van Oossanen Naval Architects](#)

The most powerful engine set-up allows for a top speed of 25 knots

The yacht, which has been designed specifically for ultimate relaxation, has a top speed of 19 knots and range of 4,000 nautical miles, while hybrid and sport propulsion packages are also

available.

Accommodation on board is for a total of 12 guests in six staterooms, including an owner's suite with two side structural balconies. The suite is also equipped with a desk and large ensuite bathroom with a freestanding bath.

The Dynamiq GTT 165 features exterior styling by Dobroserdov Design

The “chic interior” is designed in a “relaxed Maldivian style” with a calm palette and materials including natural woods and stone. Furnishings and accessories are sourced from Italian brand Bottega Veneta.

There are plentiful dining and entertainment areas on board, including a dining area on the upper deck complete with a fireplace. The aft sundeck has a gym with far reaching ocean views while the spa centre on the lower deck has direct access to the swim platform.

Elsewhere, the yacht features an open galley.

Built in compliance with LY4 and Tier III regulations, the GTT 165 has a

starting price of €24,750,000.

A hull vane and T-foil will provide lift when underway and hence reduce drag
