

Design by
STUDIO F·A·PORSCHE

A side-profile rendering of a modern motor yacht. The vessel has a white hull and a dark, possibly black or dark grey, upper section. It features a large, rounded radar dome on the roof of the superstructure. A Union Jack flag is flying from the stern. The yacht has a long, narrow profile with a series of small, dark rectangular windows along the side. The overall design is sleek and contemporary.

Length overall:	35 m / 115'
Beam:	7,8 m
Draft:	1,75 m
Material:	Full aluminium 5083
Hull type:	Round bilge, fast displacement
Tonnage:	230 GT
Max speed:	21-23 knots
Main engines:	2x MAN V12-1800, 1,324 kW
Range:	3,000 nm @ 10 knots approx.
Fuel:	—
Fresh Water:	8,000 l
Grey and Black:	2,800 l

Tender: Williams 505
